### **District Bilingual Program Survey**

*This message is intended for families and staff in the bilingual program. If your child is not enrolled in the bilingual program, please disregard.*

Dear GBAPS Families and Staff:

The Green Bay Area Public School District (GBAPS) in partnership with Hanover Research is embarking on a journey to improve the bilingual education program in the district. An important part of the process is a survey to better understand perceptions of the bilingual program. We are asking all parents and staff in the bilingual program to complete the survey from **October 4 through October 15, 2021**.

[https://hanover-research.qualtrics.com/jfe/form/SV\\_6QXeEFfs7qaulOq](https://hanover-research.qualtrics.com/jfe/form/SV_6QXeEFfs7qaulOq)

The survey will take approximately 10-15 minutes to complete. Please submit your responses by Friday, October 15.

All information provided will be maintained on a confidential basis by Hanover Research and will only be reported to GBAPS anonymously (*i.e.*, your name and identifying information such as race and gender will not be shared with GBAPS, nor tied to your responses), so please be candid.

Thank you in advance for your willingness to be part of this important work!

### **2021-22 Golden Apple Awards**

Below is a link to a Golden Apple Awards Program video that highlights the crucial role teachers play in our children's lives and asks students to think about how their teachers help them grow. Also, below are links to the nomination forms.

### **Morning Drop Off**

When dropping off students for school in the morning, please remember to pull as far up in the drive thru as possible. This will help move traffic along smoothly as well as ensure that our students are safe. As a reminder, staff supervision at Wilder starts at 7:55 am.

### **After School Drop Dismissal/Pickup**

When picking up students after school please be advised that there is no student pick up on Robinson Avenue **on either side of the street** between the Wilder entrance and exit. There are parking signs indicating this on both sides of the street. This will help move traffic along smoothly as well as ensure that our students are safe. As a reminder, **Wilder School dismisses at 2:45**, please have arrangements made to pick up your children on time. There is no supervision after 3:00 pm. If children are left at school after 3:15 pm District policy is that the Police and/or Social Services need to be notified if parents cannot be contacted.

### **Picture Day**

Picture Day is scheduled for Thursday, October 7, 2021.

### **Mr. K's Counseling Corner**

Greetings Wilder Families

Have you heard of the Zones of Regulation? I will be introducing The Zones to students this month. The Zones curriculum helps students identify their emotional state and whether or not their body is regulated so that they are able to learn. As a school, we are working towards using a common language with all students to provide learning opportunities and awareness towards their own self-regulation.

Self-Regulation is also known as self-control, self-management, anger control, or impulse control. Self-Regulation describes a person's ability to adjust their level of alertness and how they display their emotions.

Not only can this learning benefit our students, but it is beneficial learning for everyone! As we progress through our learning of the Zones of Regulation, it is important to note that there is no such thing as a “bad zone.” We all experience all of the Zones in our life.

I will continue to share information with you around the Zones of Regulation so you can learn along with your child/children. Please feel free to contact me if you have any questions or concerns about the Zones of Regulation.

Thank you for your time.
